

## HP 10s+ Scientific Calculator

User-friendly design, easy-to-read display and a wide range of algebraic, trigonometric, probability and statistics functions for your Math and Science classes

### Built to last

- Enjoy a long-lasting calculator with solar power plus a battery backup so you can work in low-light conditions.
- Help protect your HP 10s+ from bumps and drops with the durable slide-on cover.

### User-friendly design

- View expressions and results simultaneously on a 2-line, 10-character display.
- Work smarter and faster with dedicated keys for common calculations including percentage, pi and sign change.
- Store and recall important results and data fast with the easy-to-use memory keys.
- Display decimals between -1 and 1 in your choice of either exponential or decimal format.
- Ideal for examinations—adjust the number of decimal places displayed with the touch of a button.

### Ideal for Math and Science students

- Solve Math and Science problems quickly and easily using 240 built-in-functions.
- Power through advanced statistics—find mean, standard deviation, variance and more with editable lists.
- Calculate common probability functions like permutations, combinations and factorials.
- Perform decimal and hexadecimal (degree/hour, minutes, seconds) conversions. Convert from decimals to fractions.
- The HP 10s+ Scientific Calculator is approved for use on most college placement exams.

# HP 10s+ Scientific Calculator

## SPECIFICATIONS

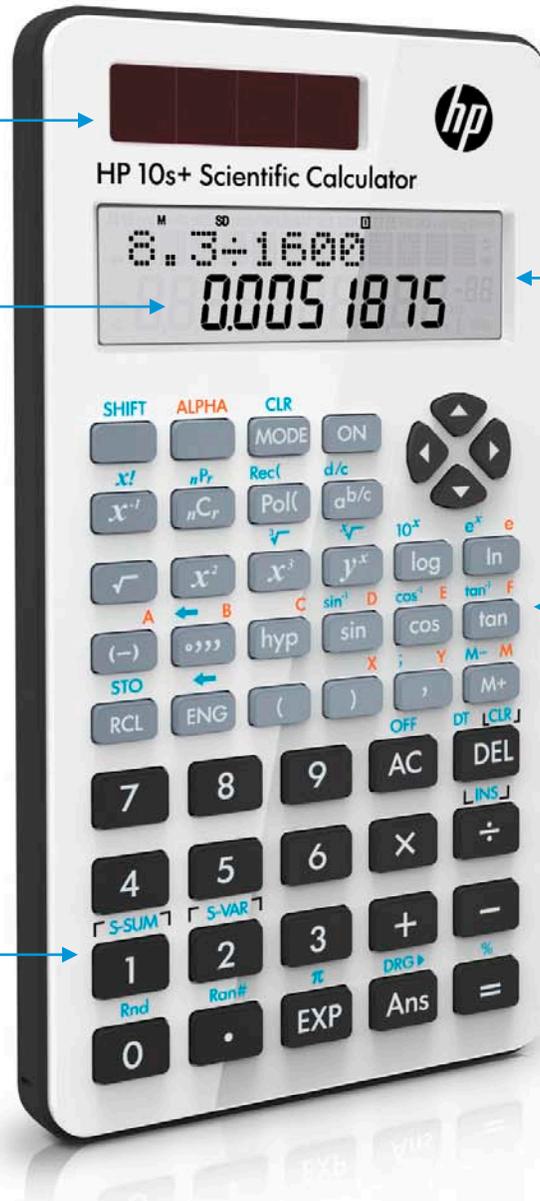

<b>Product number</b>	NW276AA	
<b>Product color</b>	White	
<b>Enclosure material</b>	Plastic	
<b>What's in the box</b>	Calculator, slide-on protective cover, battery, user guide	
<b>Dimensions (W x D x H)</b>	<b>With cover</b>	3.24 x 0.77 x 5.89 in (8.22 x 1.95 x 14.95 cm)
	<b>Without cover</b>	3.04 x 0.59 x 5.79 in (7.72 x 1.50 x 14.70 cm)
<b>Weight</b>	<b>With cover</b>	4.32 oz (122.5 g)
	<b>Without cover</b>	3.25 oz (92 g)
<b>Power supply</b>	<b>Battery</b>	LR44x1
	<b>Solar cell</b>	Built into front of the calculator
<b>Power off memory protection</b>	Not available	
<b>Auto power off</b>	5 minutes	
<b>Functions</b>	<b>Built-in</b>	240
	<b>Advanced Mathematical</b>	Polar and rectangular conversions; decimal and hexadecimal conversions
	<b>Probability and Statistics:</b>	Combination, permutation, list-based statistics data editor with random numbers, summary statistics and regressions analysis
<b>Entry-system logic</b>	Algebraic	
<b>Menu-driven user interface</b>	No	
<b>Best used for</b>	General mathematics, Arithmetic, Algebra, Trigonometry, Statistics probability	
<b>Display</b>	<b>Viewable display area (W x H):</b>	2.4 x 0.75 in (6.1 x 1.9 cm)
	<b>Number of display lines:</b>	2, linear display; 5 x 6 dots x 12 digits
<b>Display type</b>	2-line dot matrix and segment display	
<b>Memory registers</b>	Store up to 9	
<b>Keyboard</b>	Numeric	
<b>Precision</b>	Internal: 12; Display: 10	
<b>Built-in language support</b>	No	
<b>Added features</b>	n/a	
<b>Nested operators</b>	24	
<b>Programmable</b>	No	
<b>Sound</b>	No	
<b>Warranty</b>	1 year (may vary by region)	

# HP 10s+ Scientific Calculator

Work in low-light conditions with solar power plus battery backup.

Display decimals between -1 and 1 in either exponential or decimal format.

Power through statistics: find mean, standard deviation, variance and more.

View expressions and results simultaneously on a 2-line, 10-character display.

Solve advanced problems with built-in algebraic and trigonometric functions.
